REQUIREMENTS

CORE CURRICULUM

The Core Curriculum is designed to foster critical thinking skills and introduce students to basic domains of thinking that transcend disciplines. The Core applies to all majors. Information on specific classes in the Core can be found at marshall.edu/gened.

CORE 1: CRIT	ICAL THINKING				COF	RE 2:				
CODE	COURSE NAME		HRS	GRADE		CODE	COURSE NAME		HRS	GRADE

CYBR 490	Senior Project		3							

MAJOR-SPECIFIC

CODE COURSE NAME

All Computer and Information Security majors are required to take the following courses:

	MTH 220	Discrete Structures	•	3	 CS 330	Operating Systems	•	3 _	
- (MTH 229	Calculus I	• •	5	 CS 402	Computer Architecture	•	3 _	
7.7	STA 225	Introductory Statistics	•	3	 CS 410	Database Engineering	•	3 _	
	BSC 120	Principles of Biology w/ Lab	• •	4	 CYBR 210	Computer & Info Security Principle	•	3 _	
	CHM 211	Chemistry I	•	3	 CYBR 240	Information Security Policies	•	3 _	·
	CHM 217	Chemistry I Lab	•	2	 CYBR 310	Intro to Cryptography	•	3 _	
	PHY 201	General Physics I	•	3	 CYBR 330	Cybersecurity	•	3 _	
	PHY 202	General Physics I Lab	•	3	 CYBR 350	Cyber System Administration	•	3 _	
	CS 105	Explore the World of Computing	•	3	 CYBR 360	Cyber Infrastructure Security	•	3 _	
	CS 110	Computer Science I	•	3	 CYBR 400	Computer Security Design	•	3 _	
- (~	CS 120	Computer Science II	•	3	 CYBR 435	Cyber Risk	•	3 _	
(T	CS 210	Data Structures & Algorithms	•	3	 CYBR 442	Cyber Operation	•	3 _	
· (CS 215	Adv Data Structures & Algorithms	•	3	 CYBR 475	Internship	•	3 _	
	CS 305	Software Engineering I	•	3	 CYBR 490	Senior Project (C)	•	3 _	
	CS 310	Software Engr. II	•	3	 	Free Elective		3 _	
	CS 320	Internetworking	•	3	 	Free Elective		3 _	
(- •	•					Free Elective		2 _	

MAJOR INFORMATION

- · Other science with lab courses may replace the courses listed above with the approval of the program chair.
- Students are required to know and track their degree requirements for graduation or for entrance to a professional school.
- Coursework listed as "free elective" may vary for each student. Students are encouraged to use elective hours toward a minor or toward prerequisities.

INVOLVEMENT OPPORTUNITIES

- Student Government Association
- Campus Activity Board
- JMELI
- Commuter Student Advisory Board
- Club Sports
- Religious Organizations
- Political Organizations
- · Residence Hall Association
- Cultural Organizations
- National Society of Leadership and Success

RELATED MAJORS

- · Computer and Information Technology
- Business
- Education

GRADUATION REQUIREMENTS

- Have a minimum of 120 credit hours (some colleges or majors require more);
- · Have an overall and Marshall Grade Point Average of 2.00 or higher:
- Have an overall Grade Point Average of 2.00 or higher in the major area of study;
- Have earned a grade of C or better in English 201 or 201 H;
- Have met all major(s) and college requirements:
- Have met the requirements of the Core Curriculum:
- · Have met the residence requirements of Marshall University, including 12 hours of 300/400 level coursework in the student's college (see section entitled "Residence Requirements" in the undergraduate catalogue);
- · Be enrolled at Marshall at least one semester of the senior year;
- · Have transferred no more than 72 credit hours from an accredited West Virginia twoyear institution of higher education.

Colleges and specific programs may have unique requirements that are more stringent than those noted above. Students are responsible for staying informed about and ensuring that they meet the requirements for graduation.

This academic map is to be used as a guide in planning your coursework toward a degree. Due to the complexities of degree programs, it is unfortunate but inevitable that an error may occur in the creation of this document. The official source of degree requirements at Marshall University is DegreeWorks available in your myMU portal. Always consult regularly with your advisor.

COMPUTER AND INFORMATION SECURITY — 2019-2020

YEAR ONE

Have guestions? Need to talk? You already have a Friend-At-Marshall ready to help you succeed. Find your FAM Peer Mentor here: www.marshall.edu/fam

Join professional associations in your

field like IEEE, ACM, etc.

Join the Computer Club and reach

out for community activities.

Stay on the Herd Path and come to class! Class attendance is more important to your success than your high school GPA, your class standing, or your ACT/SAT scores.

In order to graduate on time, you need to take an average of 15 credits per semester. Are you on track? Take 15 to Finish.

Take a pulse check. Know what you need to do every year to keep your grants, scholarships, or federal financial aid.

Attend an intercultural festival or event on campus or in town.

YEAR THREE

Develop relationships with professors who can serve as future references by attending their office hours.

Run for Student Government and

represent your fellow students

while making a long-term

difference on Marshall's campus.

Your degree requires an internship.

Start planning now! Meet with your

advisor to discuss your internship

opportunities

in order to work in your field, you need to take a certification exam. Develop a study strategy now. Check with your advisor.

Are you on track to graduate? Meet with your advisor for your Junior Eval to make sure you know what requirements you have left.

Networking is key! Attend a Career Expo to seek employment opportunities and network with employers in your field.

Strengthen your resume and enhance your presentation skills. Present what you've learned at an academic conference off campus.

YEAR FOUR

requirements you have left.

Think about who can help you grow as a student and a professional (professors, advisors, alumni, etc) and ask at least one to be your mentor.

opportunities through the FAM program, or apply to be a UNI Peer Mentor.

Prepare to present at the URDC Undergraduate Research and CS Syposium in April.

Take a senior project class with Community Based Learning that connects course content to the community. Stay engaged and make a difference.

Talk to faculty about pursuing optional professional certifications.

Be at the top of your professional game! Prepare a final resume and practice your interview skills with a career coach in Career Education.

TRANSFERABLE SKILLS

· Critical Thinking Skills

ASSOCIATED CAREERS

Leadership Skills

Security Specialist

Incident Responder

Penetration Tester

· Security Architect

· Security Consultant

Cryptographer

Analytical Skills

Design Skills

ASSOCIATED WITH THIS MAJOR

• Oral and Written Communication Skills

• The Ability to Work as Part of a Team

• Security Administrator/Manager

Marshall University College of Information Technology and Engineering One John Marshall Drive Huntington, WV 25755 1-304-696-5453 cite@marshall.edu marshall.edu/cite

YEAR TWO

Are you completing enough credits to graduate on time? Dropping or failing a class can put you behind. Use summer terms to quickly get back on track.

Join the Marshall Mentor Network and connect with professionals in your field to discuss your major, career path, and more.

Have you considered adding a minor? Think about personal areas of interest you'd like to explore or how you might enhance your major with a related skill set.

Apply to be a New Student Orientation Leader or a Campus Tour Guide.

No need to wait until graduate school. Discuss undergraduate research opportunities with faculty in your major right now.

Did you do really well in a hard

course? Become a Tutor or a

Supplemental Instructor.

Want to continue your education and increase your opportunities? Talk to a faculty member about whether graduate school fits you career goals.

Explore peer leadership
