YEAR ONE

Have guestions? Need to talk? You already have a Friend-At-Marshall ready to help you succeed. Find your FAM Peer Mentor here: www.marshall.edu/fam

Begin your foreign language sequence to meet your COLA requirements.

Take a pulse check. Know what you need to do every year to keep your grants, scholarships, or federal financial aid.

Attend an intercultural festival or event on campus or in town.

In order to graduate on time, you need to take an average of 15 credits per semester. Are you on track? Take 15 to Finish!

Stav on the Herd Path and come to class! Class attendance is more important to your success than your high school GPA, your class standing, or your ACT/SAT scores.

Excited about geography? Talk to a career education specialist about an exciting job shadow opportunity.

YEAR THREE

Join the Geography Club or the Gamma

Theta Upsilon Honor Society, or start a

student organization of your own.

Explore peer leadership opportunities through the FAM Program, or apply to be a UNI Peer Mentor.

No need to wait until graduate school. Discuss undergraduate research opportunities with faculty in your major right now.

Apply for the Sam E. Clagg Scholarship, awarded to an outstanding undergraduate geography major.

experience. Secure an internship related to your field of study.

Want to continue your education and increase your opportunities for career advancement? Talk to our Graduate Director about whether graduate school fits your career goals.

Are you on track to graduate? Meet with your advisor for your Junior Eval to make sure you know what requirements you have left.
