What's Happening at Zeta Rho?

The spring semester has been in full swing of things including recruitment. This semester, the theme was an "Around the World" theme. Events included crepe making, origami & calligraphy, and a mocktail.

This semester, we gladly added five new brothers to the chapter. Also recently, some of our current brothers headed to Atlanta, Georgia to PBLI. They learned about entrepreneurship and how to be both a leader and follower. They also got networking experience during their stay with business leaders, alumni, and other brothers from different chapters of AKPsi.

Soon, some of the brothers will be heading to Convention in August. This year, it will be held in Las Vegas, Nevada. Help sponsor the brother's trav-

el to Convention by donating to the travel fund. More information about donating can be found on the last page.

Zeta Rho Spring 2017

Message from the President!!!

Dear Alumni,

Our semester is coming to an end and it seems like the time has flown by! The end of a school year is always so bitter sweet as we are all glad to take a break and enjoy summer but are sad to wave good bye to our graduates. This semester we have 7 graduating seniors. They have each contributed so much to the chapter during their time in AKPsi and we wish them all the best.

During this semester we had a lot of great events and became closer as a brotherhood. Our PBLI trip to Atlanta proved to be a wonderful bonding experience with lots of laughs and inside jokes, all while learning and developing ourselves. We hosted a mock interview and a resume building workshop, open to all Marshall students. We volunteered at the Ronald McDonald house, one of our favorite charities. At the WV State DECA conference, AKPsi brothers donated their time and expertise to judge the high school business competition. We raised money during Valentine's day with a chance to win a date night basket, complete with movie tickets and restaurant gift cards. Our officers and brothers put on a lot of great events this semester.

We are beginning to plan for next semester. With Convention being held this summer in Las Vegas, we have decided on a Vegas theme for next semester's recruitment. We look forward to recruiting new members so that they too can experience the wonderful benefits of being affiliated with Alpha Kappa Psi.

As always, please feel free to come by our chapter meetings or to any of our events. A great way to give back to the chapter is to share what you have learned in the professional world with students, as that is what AKPsi is all about. I look forward to seeing many of you at Convention.
