# Marshall University Zeta Rho

October 2017

## What's Happening at Zeta Rho?

What an exciting semester it has been so far! This August, six of our brothers attended Convention in Las Vegas, Nevada (pictured above with alumni). From there, they gained experiences that will last a lifetime and many more brothers from other chapters to meet.

This semester, our recruitment theme was Las Vegas themed. We included events such as crepe making, tacos and trivia, and a game night. After recruitment, we inducted eight new pledges.

The current brothers have planned many professional and community service events this semester. For professional events, the brothers are hosting a "Grad School Prep," on October 22nd. More professional events are still being planned.

For community service, the brothers will be helping at the Ronald McDonald House on October 29th, preparing a meal for families. The brothers will also be hosting a blood drive on November 1st.

Recently, we held an alumni tailgate on October 14. Many of the Zeta Rho alumni came and enjoyed food and fun with the current brothers.

Next February, the brothers will be participating in Principle Business Leaders Institute in Chicago, Illinois where it will be held from February 9-11.

# Message from the President!!!

**Dear Alumni,**

**Hello!**

**I am excited to share with the alumni all that zeta rho has been involved in this semester so far. We recently inducted 8 pledges into the fraternity. This is always exciting to me because new brothers lead the future of our chapter and we have a bright and enthusiastic group. We look forward to volunteering at the Ronald McDonald house, learning about graduate school in an upcoming professional event, and having a Halloween party.**
