17. What type of weekend activities would you attend or do you wish to see on campus?

Text Response

I'd like to see more concerts.

Bring more concerts, not just country music.

Good concerts that students actually want to attend... Such as WVU FallFest or Ohio University Fest

Comedy acts and other festivals.

Comedy

I enjoyed the carnival game night that was held in the student center last year, large casual fun event like that are my thing!

Some kind of backpacking or camping trip would be fun. Or to go to a big play or even Broadway.

big tailgates

Anything. I got bored easy around campus.

Outdoor concerts when the weather is warm would be really fun. They often have speakers playing music at the Student Center for club recruitment, but I think it would be cool to have a small, outdoor, weekend concert at the fountain so people could sit in the grass around campus and enjoy the music, the weather, and the fountain.

Camping concert/shows lectures

Bowling Alley, movies, and concerts

Concert (Hybrid Soul), Traveling, Free stuff and food.

Tennis matches, theme parks, zoos, aquariums

More social events to meet other students around campus

Travel opportunities.

Travelling to different cities

As college kids, anything that isn't going to cost money would be great!! Something fun and free to do with our friends and to meet new people.

I think Marshall should hold an annual ball! Some other colleges and universities do it and it's a big event!

More concerts.

more concerts of people that students actually want to see, and comedians

Some sort of sporting/physical activity open for all students--especially those who are NOT athletes (example: flag football, kick ball, etc. in Buskirk field)

More concerts

The bowling is a good idea because a group of friends can go and socialize on their own time. Lectures are more likely to attract individuals with common interests. This would be a good opportunity for receptions or events connected to the lecture or speaker. That would allow new friends to connect instead of socializing with old ones. I think more evens that connect those with common interests would be good.

Concerts

Comedies, much like when Daniel Tosh came to Huntington. Perhaps getting a band to come and perform would be nice as well.

Outside activities that require movement

More movies!

I liked Jabali Afrika because it was a cultural event, it was good music, interactive, and informal. I wish more people attended awesome events like this!

None, unless SAPB is brought back

Movie night out on Buskirk field

Social

I occasionally attend a football game.

Can we shut down a few blocks on 4th avenue and Hal Greer Boulevard for an art and music festival with live bands and a lot of local artists? I'm sure all the 4th avenue businesses would sponsor it, and Blacksheep/V-Club would know who to bring in for national acts, help pay, even probably find a stage and stuff with lighting and what not, because the owner is awesome and all about getting Marshall students involved downtown! How cool would it be to mix Art in the Park with the Huntington Music and Arts Festival concepts, but have it ON 4th avenue as part of the Old Main Corridor Project!? We could call it the Old Main Campus Phenomenon or something lol

Concerts

Golf outing, monthly picnic

Group outdoor activities

I am less likely to participate in a weekend activity.

International films and events like International dinners

Sporting events

concert

I would love to attend anything

Movies, expos, performance

I think it would be awesome to have a homecoming dance and winter formal!!!!

ANYTHING!

concerts and theater productions

Hiking fishing rock repelling skiing watersports conoes kyaks movies

A ski trip or something like that.

Activities close by, easily

A Marshall formal would be cool

Dance party

School Dances

Fun events.

A running group or camping trip. I like outdoor activities.

Better guest speakers and concerts. We need better, more modern events at Marshall to get more people involved.

Jazz or music

Dance Marathons

Recreational activities: hiking, camping, kayaking -- could also promote the Rec Center at the same time Concerts: big name bands, karaoke, local band-offs -- support local bands around the area for more local publicity on MUs campus

Formal dances, more musical artists that are popular and recent

Ziplining, fishing, back packing

You're doing fine. More free lunches!

Why limit to on-campus? How about Marshall day @ Snowshoe or The Greenbrier?

Medieval festival, other festivals.

Comedy or anything with food or crafts

Informal, friendly, informative, with food I like animals, so maybe one where people can bring in their pets and socialize with other pet owners (NOT just cats or dogs, please!)

formals and concerts

concerts

Anything fun. I hated being bored when I used to live on campus.
