List any additional ways we could improve our facility at MOVC.

---

The only issue I really have is that it seems since the beginning of my college career to now, the number of business classes have decreased.

---

Offer more classes

Bigger parking spots are needed for trucks, I would have no problem purchasing a permit for an adequate spot. Would also like to see more higher level classes added so minors could be completed without having to go to the main campus

Be more accepting to children in classrooms under extreme circumstances. Advocate for the students when having troubles with the TV systems.

I would like to have weekend hours available for studying. As a non-traditional student with children, I need to leave the home to study in order to complete assignments. Also, all courses have group work projects that have to be completed elsewhere rather than the library or lab.

More parking spaces

Very nice clean facility

First, thank you guys. I accidentally said thanks on the wrong survey. I want to make sure on behalf of everyone to let you know, we appreciate the MOVC campus and all of its staff.

I doubt it's possible, but weekend hours like the Drinko Library has on main campus. I have trouble finding a quiet place to study on the weekends, so having access to the school would be extremely helpful.

more outside space to study
