More classes for education majors available during the daytime hours instead of evenings.

I think it would really draw people in from surrounding areas.

Higher math courses, as well as, some engineering courses. Maybe online?

anything physiology, Phil, drug addiction therapists

PR or Journalism classes, however I know this is not a more common area

more of a variety

EdD program, Ed Leadership

There are some courses that many have to take on the main campus. I would love to be able to take everything here at MOVC and many feel the same way.

OB and PSY nursing would be wonderful

Astronomy, Environmental Science

More Communication Disorders specific

I would like to further my degree and be able to do it all at MOVC. This is my home and where I feel comfortable with for example Nurse Practitioner school or Midwife degree.

List any additional ways we could improve our facility at MOVC.

Offering more full programs, like the nursing one, for careers that would be beneficial to the Point Pleasant, WV and surrounding areas.

Bring in classes on what to do for health and fitness

Updating computers in the resources center.

Offer more classes. With more of a variety because either its nursing or social work. We need more of a variety

Not at all! I wish I could have taken more of my classes here!

weekend accessibility

wider parking spots

Improve security

The video conferencing is effective, but the microphones do not pick up well. Instructors often times have difficulty hearing students in MOVC. There are times when people in SWK program are required to drive to Huntington, it would be nice to have allowances for travel and parking, but I understand why this is probably never going to happen.

The professors' professionalism was absent. The class experience was dreadful and I would not recommend it.

Weekend hours. The local libraries do not provide adequate weekend hours, so there is no other great place to meet up and study.

Offer more psychology classes

None

I only attend one Saturday a month. There is typically only one staff member there and we, or one other class, are the only ones there. We have not been able to use the resource center, and if we are able to we have not been instructed on how to do so.

Add more classes pertaining to HP, HS, and ESS
