Art

Education courses seem to be the next biggest interest of students attending MOVC.

a wider variety of programs

more business/accounting courses

BA/BS to BSN

more electives

Social Work- In Person Class

I feel as though we should offer way more degrees at the MOVC than just 2-3

In-person nursing courses

I'd love to see some more foreign language/modern language offered! I'd love to be able to take some of the introductory courses at MOVC. I'd love to have some journalism classes, but I'm a little biased

Chemistry

Yes, I believe MOVC should offer more classes considering many of us aren't allowed to commute to main campus

Q30 - List any additional ways we could improve our facility at MOVC.

List any additional ways we could improve our facility at MOVC.

Faster internet at the library would be sufficient

While I believe smaller class sizes are superior to the size of classes on main campus. MOVC could benefit from more funding towards autonomous advertising and technology in the classrooms.

A wider variety of programs should be offered so students can spend more semesters there, if convenient for them.

More classes/more lab equipment to have higher level chemistry/biology classes

Have the professor's come to the MOVC campus more often.

Working cameras would be nice for the parking lot for students leaving at 9 pm. A social work professor or advisor available. More student actives to get involved in some way.

All of the problems that I have with distance learning are because of main campus, not the MOVC. I love it here and would recommend it to anyone!

I would like to see the extended weekend hours to allow study groups. I know this is an option for the main campus and I would like to see it available here.

I'd love for more of the general ed courses to be offered as well. I'd love to be able to take some English, other fine arts credits, and more of the humanities at the MOVC campus

Better, more up to date library services with the ability to check out books. Ability to print materials in the resource center. More activities for students.
