

Need some financial assistance to reach your graduation dream?

West Virginia Department Of Education Tuition Reimbursement Funding Grant

UP TO **\$8,000**

FOR ONE YEAR OF WORKING IN WV SCHOOLS!

Details

The intent of this speech-language pathology grant funding is to provide partial tuition reimbursement so that county school districts can receive fully certified speech-language pathologists committed to working in West Virginia K12 Public Schools for one year upon graduation.

Marshall University may provide this funding for tuition reimbursement or for textbooks and other course-related materials.

See Pam Holland for an application!
