

ARCHAEOLOGY

ANT 322

Spring Term 2018

TTH 11:00 to 12:15

Archaeology, the study of the stuff left behind in the past, and even in the present, to recreate lifeways yesterday and today. A field of study with many misconceptions.

Fake: Lara Croft

Real: Betty Meggers

Fake: Indiana

Real: Sir Barry Cunliffe

Fake: An Alien in Mexico

Real: An Aztec in Mexico

Archaeology, a science to read leftovers

Prehistoric garbage

Modern garbage
