

PROVIDER SPOTLIGHT

A West Virginia native, **Dr. Jonathan Lucas-Neel** is a board-certified family nurse practitioner currently working in the Family Medicine Center of Charleston Area Medical Center and as full-time faculty at West Virginia Junior College Charleston Campus.

He received his Master of Science in Nursing with a concentration in Family Nurse Practitioner from West Virginia University in 2015 and Doctor of Nursing Practice from Old Dominion University in 2019. As a member of the LGBTQ community, he is committed to eliminating barriers to healthcare by providing thoughtful, inclusive, non-judgmental care with a focus on health promotion, prevention, and sexual health. He has gained experience in transgender health over the past five years through work with an increasing number of gender diverse patients of all ages and from across the state.

Dr. Lucas-Neel is excited to join the **EquaHealth Program** at Health Right as a volunteer to provide gender affirming hormone therapy, PrEP, and other primary care services to our community.

EQUAHEALTH

Equahealth is a safe place for everyone to get healthcare, no matter who you love or how you identify.

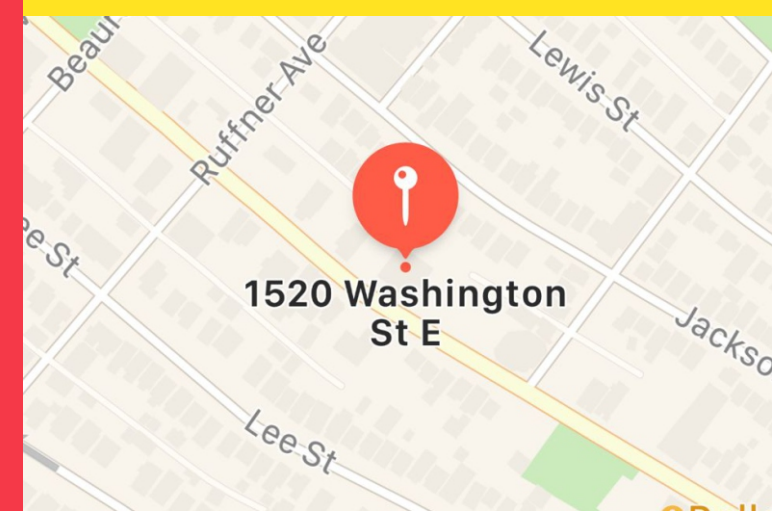

OUR NUMBER #1 PRIORITY IS TO HELP YOU LIVE A HEALTHY AND HAPPY LIFE

WV Health Right offers access to primary and routine exams. Come to us for your vaccines, cancer screenings, contraception/birth control. We also specialize in testing, treatment, and prevention of sexually transmitted infections, including HIV. PrEP is also available to prevent HIV. The Equahealth program offers gender affirming hormone therapy, gender affirming support (pre and/or post op), and referrals to outside specialists for transgender care. Behavioral health services, including substance abuse treatment, counseling and support groups are also available.
