The EdD program offers a selective admission process, for fall semesters only, beginning with the 2021-22 admissions cycle. Please see the handbook for additional details. All content courses must be completed before students may enroll in any research courses (i.e., all Year 1 courses must be completed before students may enroll in any Year 2 course).

All research courses are offered every term and are sequential. They must be completed in this order.

- EDF 625  Taken together in first term of research block.
- EDF 703
-
- EDF 676  Taken together in second term of research block.
- LS 764
-
- EDF 711  Taken together in third term of research block.
- LS 765
