Because of anti-crowding measures taken in response to COVID-19, you must reserve a permission to occupy bbsc222. As of June 2020, only one person will be allowed in bbsc222 at any time.

Because we have always operated these FACES calendars assuming that everyone is cooperating and working in good faith you will find that any instrument User Name will allow you to access any calendar.

Under 'Choose a Schedule', you will see the schedule allowing you to occupy room bbsc222. If bbsc222\_1 is reserved, you cannot occupy the room during the period.

Schedule your hours and please put your name in the 'Comment' field.
