#### **Teaching Experience:**

- 2005-present**      **Professor: Marshall University, Huntington, WV**  
Responsibilities include a teaching load of 9 hours per semester, graduate and undergraduate advising, direction of doctoral research,

theses, and undergraduate research, independent research, and supervision of clinical graduate students in psychological assessment. Courses taught include undergraduate introductory psychology, developmental psychology, and personality, as well as a graduate course in psychological assessment.

**09/96 - 2005**

**Associate Professor; Marshall University, Huntington, WV**

Responsibilities include a teaching load of 12 hours per semester, undergraduate advising, direction of theses and undergraduate research, independent research, and limited supervision of clinical graduate students regarding issues of development and psychoeducational assessment. Courses taught include undergraduate introductory psychology, developmental psychology, and personality, as well as a graduate course in psychological assessment.

**8/91 - 8/96**

**Assistant Professor, Marshall University, Huntington, WV**

Responsibilities include a teaching load of 12 hours per semester, undergraduate advising, direction of theses and undergraduate research, independent research, and limited supervision of clinical graduate students regarding issues of development and psychoeducational assessment. Courses taught include undergraduate introductory psychology, developmental psychology, and personality, as well as a graduate course in psychological assessment.

**Academic Administrative Assignments:**

**7/14-present Chair, Department of Psychology, Marshall University, Huntington, WV**

Responsibilities include overseeing day-to-day operations of the Department, supervising office staff and graduate students, addressing student complaints and concerns, overseeing curricula in all programs, scheduling classes, acting as liaison between Department and College of Liberal Arts, oversight of Departmental budget.

**05/01 – 7/14 Director, Psy.D. Program, Marshall University, Huntington, WV**

Responsibilities include coordinating and overseeing the admissions process to the program, coordinating practicum placements, overseeing progress toward accreditation by the American Psychological Association, and overseeing curriculum development. Additional duties include student recruitment, oversight of the student evaluation process, and organization of clinical seminars. Was responsible for getting program's initial accreditation through the American Psychological Association and first reaccreditation. Also, wrote three successful Graduate Psychology

Education Grant proposals for the Health Services Research Administration (HRSA).

**05/00 – 08/01**      **Interim Coordinator, Women’s Studies, Marshall University, Huntington, WV**  
Responsibilities included coordinating class schedules and facilitating faculty involvement in the Women’s Studies program.

**Clinical Experience:**

**10/93 – Present**      **Mental Health Consultant, Cabell and Wayne County Head Start Program, WV.** Duties include parent training, classroom observation, some assessment, and behavioral consultation; supervision of graduate students.

**10/92 – 1999**      **Psychological consultant, Time Out Youth Services, Huntington, WV.** Duties included conducting psychological evaluations and provided consultative services for shelter and family preservation program dealing with troubled children and adolescents.

**11/92 – 01/01**      **Clinical assistant professor, John Marshall School of Medicine, Department of Psychiatry, Huntington, WV**  
Duties included maintaining part-time psychological practice with children and adolescents, as well as some limited teaching.

**09/90 - 08/91**      **Pediatric Psychology Intern, Columbus Children's Hospital, Oh.** Full-time APA-approved clinical internship, primarily in a pediatric hospital setting. Major rotation (8 months) spent full-time in hospital setting engaged in pediatric consultation, outpatient therapy, and assessment. Minor rotation (4 months) spent in outpatient child-guidance center, with 1 day/week continuing at the hospital.

**Ad-hoc Committee Work**

**05/16 – Present**      **Marshall University Substance Abuse Coalition:** This group works to create ‘Town/Gown’ initiatives to address the growing substance abuse epidemic that has developed in our state.

**12/17 – Present**      **Health Connections Coalition:** This group works to develop a continuum of care for expectant mothers who have entered recovery and

their families. The Coalition is creating a center for multidisciplinary care and training for families battling addiction and I am also working with the group to set the agenda for an active research program to identify factors related to developmental outcomes for infants exposed to opiates in utero.

### 1996-1999

**Campus Child Care Center Development Team (chair):** I was the chair of the committee charged with establishing an on-campus child care center that would also serve as a training facility for early childhood training programs. The center was able to open to 1998.
