MAJOR INFORMATION

- After completing the required six foundation courses (ART 101 and ART 214, 215, 217, 218, 219), students pursuing the Bachelor of Fine Arts are required to present a portfolio of work for review by the Art and Design faculty. To do so, B.F.A. students must register for ART 298 before completing 21 credit hours in studio art courses (includes ART 214, 215, 217, 218, and 219). Successful completion of ART 298, Foundations Review: BFA, is required and is a prerequisite for program advancement. Students who do not receive a passing grade of C in the Foundations Review and are within the studio art credit hour range listed above may apply for reconsideration. Students who have transferred within Marshall University will have two semesters to complete the courses listed above and participate in this review. However, transfers from art or art education departments at other universities are required to complete the review during the first semester they enroll in the MU School of Art and Design.
- Students enrolled in the Bachelor of Fine Arts degree program must complete all work in the major with a minimum grade of C. A student who receives a D or F in an art course counted toward graduation must repeat it and earn at least a C before graduation or before using that course as a prerequisite for another required course.
- Forty (40) credit hours must be earned in courses numbered 300-499.
- No course in the major requirements for graduation may be taken Credit/Non-Credit unless the course is so specified.
- A successful exhibition of creative work must be presented by all students during the senior year as a requirement for graduation. To do so, B.F.A. students must register for ART 498, Senior Capstone Project – BFA.

BFA IN FINE ARTS: VISUAL ARTS PRINTMAKING

Printmaking offers a wide range of traditional and innovative experiences. Students are exposed to contemporary approaches utilizing printmaking techniques for the development of ideas and art on and off paper in a healthy environment. Beginning and advanced classes concentrate on the investigation of form and content as it relates to printmaking processes in intaglio, lithography, relief, serigraphy, letterpress, and papermaking. An extensive range of rare letter type is available to support book arts.
