MAJOR INFORMATION

- The total number of free electives required depends on the number of hours completed in STA (150 or 150B) and ENG (101 or 101P) and the number of hours that can be double-counted toward multiple degree requirements.
- General Business electives can be any 300 or 400 level courses offered in the College of Business (under the following course designators: ACC, ECN, ENT, FIN, LE, MGT, MIS, MKT, STHM). Students must complete courses in at least two separate alpha designators. Internship credit may not count as a General Business Elective. In order to meet the College of Business graduation requirement of 12 hours of 400 level courses completed in the College of Business at Marshall, nine (9) hours of General Business Electives must be 400 level.
- MGT 460 is the capstone course for all General Business majors. It is normally taken in the senior year.

- The Communication Studies Elective can be met by taking one of the following courses: CMM 302, 308, 315, 319, or 322.
- · Multicultural or International additional university requirement met with International Business Elective.

🗬 Milestone Course: This is a key success marker for your major. See your advisor to discuss the importance of this course in your plan of study

- · Please check with advisor about course offerings. Not all classes will be offered every semester.
- The International Business Elective can be met by taking one of the following courses: ECN 408, 420, 421, 460, FIN 440, MGT 445, and MKT 371. The course selected for the International Business Elective CANNOT doublecount as a General Business Elective.
- · Students who have a declared major in a BBA program cannot also declare the General Business BA.

YEAR FOU

GENERAL BUSINESS

The Lewis College of Business, Brad D. Smith Undergraduate School of Business offers a Bachelor of Arts degree in General Business. This degree is delivered 100% online. This means students can complete the whole degree without coming to campus and without have to meet at designated times to complete lessons. The program is flexible and convenient, allowing students to take a wide variety of business classes. The online BA in General Business is geared toward nontraditional students, including adult learners, who started a business degree but never finished it or students who cannot otherwise attend face-to-face classes.
