MAJOR INFORMATION

Admission requirements for ADMI 4:

- Grade Point Average of 2.80 or higher (both MU and overall), 2. EDF 201 (grade "C" or better) and EDF 200 (credit), 3. Passing scores on the PRAXIS Core exam – all 3 areas (EXEMPT from PRAXIS Core exam with SAT 1240 or ACT composite 26 or higher), 4. Portfolio in LiveText which includes: Self-Assessment, Writing Sample and three Recommendations, 5. 21 ACT composite score, 6. MU students: Completion of 26 credits hours, 7. Transfer students: Completion of 12 Marshall University credit hours

Admission requirements for ADMI 5:

- 12 hours of completed Professional Education Core courses, 2. 2.8 GPA overall, at MU, and in Teaching Specialization, 3. 3.0 GPA in Professional Education Core

Admission requirements for Residency II:

- 2.8 GPA overall, at MU, and in Teaching Specialization, 2. 3.0 GPA in Professional Education Core.

- Many courses require clinical experience in public school during normal school hours. Schedule open time accordingly.
- STUDENTS SHOULD MONITOR THEIR PROGRAM OF STUDY CAREFULLY DUE TO ONGOING CURRICULAR CHANGES.
- ALL coursework in Teaching Specialization and Professional Education Core must be completed with a grade of C or better.
- West Virginia law mandates that all persons entering a school or having contact with students must have completed a background check and have not been found on the sexual offender registry prior to entering a school. Each county and school can also use the results of that background check as a basis for admitting or denying admittance. It is the procedure of the Marshall University College of Education and Professional Development that every student will obtain a background check prior to being placed in a school setting.

SECONDARY EDUCATION PHYSICS 9-ADULT

The College of Education and Professional Development has the distinction of being the oldest part of Marshall University. The CIF (Curriculum, Instruction, & Foundations) program includes elementary, secondary, educational foundations, and educational computing for pre-service teachers. The secondary programs are designed for those wanting to teach content to middle school and/or high school students. The educational foundations and computing courses are designed for those entering the education field. Students receive broad content knowledge in the core academic area of choice as well as in the art and science of teaching children.

PHYSICS 5-ADULT – 2024-2025

YEAR ONE

Have questions? Need to talk? You already have a Friend-At-Marshall ready to help you succeed. Find your FAM Peer Mentor here: www.marshall.edu/fam

Stay on the Herd Path and come to class! Class attendance is more important to your success than your high school GPA, your class standing, or your ACT/SAT scores.

In order to graduate on time, you need to take an average of 15 credits per semester. Are you on track? Take 15 to Finish!

Volunteer in local museums, non-profit agencies, dog shelters, hospitals, libraries, festivals, or women's shelters.

Sign up for Handshake! Handshake is the #1 place to launch a career with no connections, experience, or luck required. The platform connects up-and-coming talent with 650,000+ employers.

Take a career self-assessment to help determine what majors fit your talents and interests and consider job shadowing opportunities.

Join or create a club or organization on campus about a particular issue you care about. Marshall has more than 200 student organizations.

YEAR THREE

Develop relationships with professors who can serve as future references by attending their office hours.

Take a pulse check. Know what you need to do every year to keep your grants, scholarships, or federal financial aid.

Are you on track to graduate? Meet with your advisor for your Junior Eval to make sure you know what requirements you have left.

Stay on the Herd Path and come to class! Class attendance is more important to your success than your high school GPA, your class standing, or your ACT/SAT scores.

Apply theory to practice (Complete Level II Clinical Experience).

Work with a faculty mentor to determine what professional certifications are available to assist you in meeting your career goals.

Inquire about available Teacher-In-Residence opportunities.

YEAR TWO

Are you completing enough credits to graduate on time? Dropping or failing a class can put you behind. Use summer terms to quickly get back on track.

Attend civic meetings, such as the school board, neighborhood associations, city council, or important state legislative sessions.

Take a pulse check. Know what you need to do every year to keep your grants, scholarships, or federal financial aid.

Plan on taking the Praxis Core Exam and completing the ADMI 4 Portfolio in LiveText.

Develop relationships with professors who can serve as future references by attending their office hours.
